

Dear Peter and Diana Findley

Here is your loving child Uma thinking of you with love and with gratitude for the help you have rendered to me during this academic year and supporting me to climb the ladders of my life in the school.

I have learnt a lot during this year I have improved a lot and I am proud of my self to be in this school because of your goodness.

My exams are over, I worked hard and did my exams well. From June I shall be in 8th std. I am happy that I am going Higher and Higher.

I am very much interested in craft work when our sister teacher's I eagerly learn and do this year we learnt many things specially to make greeting card.

This card for Easter is prepared by me hope you like it. next time when you come to India I shall show you how to do this cards.

Love and greetings to Laly, Katye and Patrick. How are they? I do remember them specially there beautiful smile. how I wish I see that smile every day

We have our summer holidays From 25th April to 30th

May I am going home from the hostel on 25th April.

I have decided to stay with my parents and help them at home as well as in the field. I want to help them to support them to earn something so that it will be useful for my studies.

When is your next trip again? We are waiting to see you.

We prayed on March 2nd specially for Peter on his Birthday.

How was the Birthday celebration? Hope it was very grand.

My Prayers ^{are} always for you, that God ^{may} ~~many~~ gift

Bless you, your family, your relatives and all your near and dear ones.

That God may give you good health and shower His Blessings on all your good work.

Here I close with lots of Love and affection

Yours lovingly

UMA
